Internal Label

Place this label inside your item.

DO NOT RISK INCLUDING ANY OF THE BELOW:

- ⊘ Aerosols or other pressurised containers e.g. hairspray, antiperspirant.
- ⊘ Loose batteries.
- ⊘ More than 1 lithium battery - must be inside a working device. No batteries at all, even inside a device when shipping to or from Australia.
- ⊘ No amount of liquids, pastes or gels of any type. Take care small items such as nail varnish are not accidentally included.

Our full prohibited item list will be emailed to you the day before your collection, it is also available online at [sendmybag.com/terms](http://sendmybag.com/terms).

Do not risk sending prohibited items, ALL shipments are X-rayed and are subject to security searches. If you include prohibited items your shipment will not be loaded to an aircraft and will be returned to you. No refund will be provided for shipments returned under these circumstances and a £25 security processing fee will be due before your shipment can be recollected. In some cases your shipment could also be seized and action taken against you by the FAA or other authorities.

You are responsible for what your shipment contains, NEVER send a shipment on behalf of someone without inspecting it yourself.
